The Campus Scouts would like to invite all Juniors and Cadettes to join us at Virginia Tech for a day to learn about aviation, science, and engineering. Attendants will engage in hands-on activities introducing them to STEM with a focus on aviation. The cost of attendance is $12. This includes a meal at Owens dining hall and helps to offset the costs of materials. All participants will receive a patch for attending. The event will run from 9 am to 4 pm on Saturday November 7th. Please contact Margaret McQuain to register for the event. We hope to see you there!
